
Guest column

ED. NOTE: George Vierhus is on vacation. During his absence several guest writers have consented to prepare articles to appear in place of "Out on the Limb". Campbell Police Chief John Morgan is filling this space this week.

BY JOHN MORGAN

Given the opportunity of being a guest writer-near Halloween we wanted to say ghost writer-is certainly a privilege for us. When we were first approached to handle this, we snapped at the chance. Our first impression was that it wouldn't be a difficult task and would give us a chance to "talk back". Since that time we have a better appreciation of the problems that newsmen have.

Our first impulse was to "gripe" a little. But, we began a little self-analysis: found that we were pretty happy and proud of the public-police relations in Campbell. We found that the biggest problem was one of understanding the role of law enforcement in the over-all process of Justice.

Therefore, we would like to take this opportunity to attempt to show what an officer can do and what he cannot do. This may surprise the reader as to the restrictions placed on the Police Officer.

Our motive is based on the fact that our authority is derived from the people - from you - and we can only do those things which you permit us to do.

You have said that an officer cannot arrest for certain offenses not committed in his presence. An example would be the vehicle that drives recklessly in your area. The police are called and upon arrival, stop the vehicle, and the driver, as is the usual case, is now driving properly. You want action: an arrest. We cannot make an arrest and this is difficult for you to understand. We explain that you can go to the District Attorney, as a citizen, and file a complaint. This is certainly time consuming and confusing. But this is the law.

This Department recently made an arrest on a child molesting case. The suspect was arrested and booked. Three hours later he returned home. Our phones began ringing--"What type of Police Department do you have?" - "How could you let this person out?" and so on. We could not convince the people that first of all the Police have absolutely no control over the right of a person to bail. You, through the Courts and your legislation, have set the policies.

And secondly, these same indignant people demanded that we

Camden fire reveals lack of water hydrants

TRAFFIC STOPPER-Fireman keep close watch on the dying timbers of the fire at 834 Camden Avenue Friday at noon. Traffic on Winchester, Camden and the railroad was stopped, enabling firemen to stretch their hoses across all three major traffic facilities.

Potential disaster in the making was revealed Friday at noon when a small shack at 834 Camden Avenue caught fire and burned to the ground. The Campbell Fire Department, who received the alarm at 11:59 a.m., had to stretch 1000 feet of hose from a fire hydrant located on Winchester Boulevard, across Winchester, across the Southern Pacific Railroad tracks and down the length of Camden before they were able to reach the scene of the conflagation.

Camden Avenue, on the narrow winding strip from the Highway 17 approaches to the intersection at Winchester, is rapidly becoming heavily industrialized. Two lumber yards with highly potential fire hazards are located in the area as well as two welding shops, auto shops and other industries with a high fire potential. In the event a major fire

C-1 zoning for Pollard corner?

Members of the County Planning Commission held a public hearing at 1:30 p.m. today on the proposed amendment to change the zoning district of property located on the northwest corner of Pollard and Burrows Roads, from a single residence zoning to C-1 or neighborhood commercial.

The proposed zone change was discussed upon referral from the County Planners by the Campbell Planning Commission at their last meeting. At that time the local body recommended denial on the basis of the general plan which shows the area primarily as a light density development and because the location is approximately 3,100 feet from the Smith Shopping Center on the Northwest corner of Elam and San Tomas Aquino Road and one mile from a recently approved shopping center on the Turturici property on Hacienda.

Pollard Road has been designated as a 60 foot, two lane road and the Freeway agreement for the West Valley Freeway indicated that Pollard Road will not connect with the Freeway but will go over the top of the Freeway and the railroad tracks with a two lane bridge. Hacienda is destined to become a four lane road.

The zoning change request is being made by Mr. and Mrs. James H. Belcher. The land at present is undeveloped and is a little over an acre in size.

CUHSD seeks 7th campus site

Approval of a 50 acre site on Branham Lane and Dent Avenue for a seventh Campbell Union High School District campus was asked of the Santa Clara County Planning Commission recently.

The property is presently owned by P. J. Martin Associates who recently purchased the acerage from Leon Athenour. According to Superintendent Laurance Hill plans are to acquire the property as soon as approval is received and to go ahead with construction immediately. A recent bond issue was passed by the voters to acquire the necessary funds.

Property on Prospect Road is also being scanned at this time for a second new school, which will be constructed when the need arises. It is hoped by the District that this will satisfy the Campbell High School needs.

Service station crop still growing

Another service station will make its appearance on the Campbell scene in the near future as the result of the Campbell Planning Commission approval October 6 of a use permit and plans of the Mobile Oil Company to locate on the south-west corner of Hamilton and Bascom Avenues.

The oil company also appeared at the October 20 meeting seeking architectural approval. The new service station will be located at 130 S. Bascom Avenue, on the present site of Rip's Drive-In, Rip Schleeter, owner of Rip's Drive-In, has no immediate plans for a change.

THIEF TAKES

A determined thief cut a three foot hole in the chain link fence surrounding Hitchcock's Tool and Garden Supply Store at 749 Camden Avenue and made off with a gas powered lawn mower and an electric lawn edger, Campbell Police report.

Total value of the two items is $439.50. Police report entry was made by cutting a hole in the 6 foot chain fence with wire cutters and cutting the lock hasp on the sliding door to the building.

Saratoga site chosen by West Valley JC board

The long-delayed decision as to where to locate the homeless West Valley Junior College campuses came to a climax last Thursday night when the Board of Trustees voted to authorize the beginning of preliminary acquisition on three sites, one of which will be needed immediately.

Chosen by the board was an approximate 130 acre site just south of the intersection of Allendale and Fruitvale Avenues in Saratoga, which site has been under attack by the Saratoga residents. Thus site is designed to eventually serve the central area of the district.

The other two sites designated by the board are the Coleman Avenue site, in the vicinity of Redmond and Coleman Avenues in the southern and eastern part of the district, and a vaguely defined northern site within the Santa Clara Union high school district and in the general area of the Bayshore Freeway.

Designation of the sites is the first step toward acquisition, according to college officials. A bond election, tenatively set for February, will have to be passed before the monies are available to purchase any land. Before any of the sites can be acquired a report on them must be obtained from the Bureau of School Planning, State Department of Education and from the respective county and city planning commissions having jurisdiction over the properties in question.

Selection of the sites came only after long deliberation on the part of the board members, according to Trustee Chariman Bruce Allen.

Principal access to the Allendale Avenue site is from Saratoga Avenue, a distance of .3 of a mile. It is located across Fruitvale Avenue from Fruitvale

GENE RIORDAN

Gene Riordan heads Moreland District Board

Gene Riordan, West Valley real estate developer, has been elected president of the Board of Trustees of the Moreland School District. He succeeds Robert Brydon who resigned from the board recently due to ill health.

Riordan has been a member of the Board for the past eight years and is its senior member. Service to the community and its youngsters began for Riordan when he was a charter member of the Citizen's Advisory Committee. He also served youngsters through his work with the Boy Scout movement.

As a member of the Board, Gene Riordan took the responsibility for the establishment of the Civil Defense program for the district before that emphasis had been very wide spread. As a result, he and the district received State and National publicity as a pilot program and a model for the future.

Riordan is a former rancher in the area across from what is now the Gussie Baker School on Bucknall Road. Since he sold the land, he has been involved in real estate development in the West Valley. Among other properties, he owns the building which houses the post office annex at Hamilton and Campbell Avenue. He is in the process of building another office building in the same area. Riordan and his wife, Annette, have two children, Kathleen, 15, and Tim, 14. They are now students at Westmont High School.

Planners approve root-beer stand

During the regular meeting of the Campbell City Planning commission October 6 the application of Walton & Winkler Realty Investment Company for the construction of a root-beer drive-in and walk-in restaurant was approved. The new construction will be located at 1555 So. Bascom Avenue adjacent to the service station now constructed on the north-west corner of Bascom and Hamilton Avenue.

Planning commission members denied the application of David Sanchez for a second residence on R-2-S property located at 410 N. Harrison. Sanchez has indicated he will appeal the denial to the Campbell City Council.

New Campbell maps ready

New Campbell maps are now available at the Campbell Chamber of Commerce offices, according to Paul Landwehr, Secretary-Manager of the Chamber.

At this time new brochures are also available, compiled by the Commercial-Industrial Committee under the original chairmanship of Charles Rose. Others on the committee include Dick Hardy, George Paizis, Jack Payne, Tony Raffanti, Ron Tharp and Robert Stephens.

The new maps are free for the asking.

Local men apply for loan license

A hearing was held October 9 in Sacramento on the application of the Campbell Savings and Loan Association for approval of its articles and a license to operate an office at the intersection of Latimer and Winchester Boulevard in Campbell. Word will be received in approximately 120 days, or around December 10, as to whether their application has been approved.

Present at the hearing were 10 of the 12 incorporators and directors of the proposed association. Listed on the application are Oliver C. Jensen, Homer H. Hyde, Harold L. Beatty, Ralph P. Doetsch Sr., Fred E. Chez, Howard E. Manson, Lowell E. Grattan, C. L. Watson, Paul A. Werthmann, Laurance J. Hill, Billy G. Wilson and Emerson M. Arends.

Members of the proposed association feel that Campbell is the largest city that does not have a Savings and Loan Association within the city limits. Composed of local business men, it is felt that the organization will keep the profits in the city. Stock will be offered to the local public and the directors will spread the stock sale over the local population of Campbell as much as Hyde, one of the directors.

Granting of the license will be up to the Savings and Loan Commissioner, who investigates the backing of the various directors as well as their business integrity.

Business men to host teachers at luncheon

Educators and businessmen will spend Thursday together learning each others problems during the annual Business-Education Day sponsored by the Campbell Chamber of Commerce.

A coffee hour at 9:30 will be held at the conference room of the Campbell City Hall on North Central at which time the host business firms' representatives will meet their educator guests.

Following the coffee hour the guests well tour the business establishment and then adjourn to the Villa Felice where luncheon will be served. Speaker for the luncheon will be Superintendent Laurance Hill of the Campbell Union High School District.

Planners asked for zone changes

Appearing before the Planning Commission at their regular Tuesday night meeting was Clarence J. Toy who asked for an "S" approval of an office and warehouse to be located at 1150 Dell Avenue. Toy will operate a water softening business from the premises.

A public hearing was also held on the application of W. G. Gibson for change of zone from R-2-S to C-2-S on property located on the west side of the San

Continued on page 2

Editorial

Ed. Note: George Vierhus is on vacation. During his absence Dr. Wallace Hall, West Valley Junior College president has written an article which will take the place of the editorial this week.

By Dr. Wallace Hall.

In behalf of the faculty and student body, I would like to express my appreciation to George Vierhus and The Campbell Press for this opportunity to make a progress report to our friendly hosts, the residents of Campbell. Certainly, we appreciate the fact that our moving in at 51 East Campbell Avenue has not been without some inconvenience. We have tried to keep them at a minimum; we expect to do better; and we hope to repay our hosts with a program of academic excellence and community service which will make them proud to have us around.

Now, let's look at the record:

We have 3,147 students, of whom 1,920 are attending daytime classes, and 1,227 are in evening classes. About three-fourths of the day students are full-time (taking 12 or more units). On the one hand this enrollment -- about 20 percent more than our best educated projections -- is a heart-warming show of confidence in what we are attempting to do. On the other hand it means a need for more "money, marble and chalk," not to mention instructors, desks, and so on and on. Next year, when we have both a Sophomore and a Freshman class, the crowding will be acute. Campbellites will be glad to know that we are already working on the problem.

Right now our English faculty is downright deluged in a sea of themes and other written assignments. We urgently request that anyone with a bachelor's degree in English or a liberal arts degree, who would like to make a little extra income reading themes at home, to get in touch with us.

Now, you might well ask, what are we doing in the way of long-range planning, to take care of the awesome responsibilities that lie ahead. We are doing a great deal. Our Board of Trustees has adopted a master plan for acquiring three campus sites as soon as funds are available. One of them will be in the Campbell High School District, another in Los Gatos-Saratoga High School District and a third will be in Santa Clara High School District. Although the sites will be acquired as soon as funds are available -- to combat rising land values — the actual campuses would not be constructed until needed. Our educational consultants have told us that we will have 15,000 full-time students -- the equivalent of three campuses -- by 1985.

The Board expects to ask our District residents again to approve a bond issue. Last March, you will recall, such a bond election failed by a very few percentage points. This is not unusual; it is very difficult to carry the required 66 2/3 percent before a campus is opened as was the case with West Valley last spring. But the need was so urgent, our Trustees felt justified in going ahead with the election. We have high hopes that with our auspicious start our many friends will carry us through on the next try.

Speaking of elections, let me urge anyone who is a parent, who recognizes the worth of human enlightenment to a society, or who is just proud of his state and nation -- let me urge him to give his support to Proposition 2 on the November ballot. Briefly, it calls for a state expenditure of $380 million, to be raised by bonds, with about 70 percent going into construction projects for the state's public university, four-year colleges and junior colleges. The latter would realize $50 million, and most certainly West Valley would qualify for a substantial sum. The projects for which this money is sought are urgently needed right now. To raise the money in any way other than a bond issue would entail an enormous tax increase. The funds will be particularly critical for the junior colleges inasmuch as they will be asked, during the next ten years, to take on 50,000 more students from the university and four-year colleges. That's 50,000 more than the normal loads and anticipated increases.

We are pleased to be able to announce that we have qualified for a number of Federal non interest loans for facilities planning.

In addition to its daytime program, West Valley is now offering 70 extended day courses, open to young people and adults alike. Most of them -- in such conventional areas as languages, engineering, electronics, mathematics, history, etc. -- are for credit. However, a number of highly practical non-credit courses are offered for those whose sole aims are for the sheer pleasure of learning and/or self-improvement. They range from Civil Service Preparation to Law for the Layman to Symphony Orchestra to Parliamentary Procedure.

In a lighter -- but important -- vein, we can report that an unprecedented turnout of students -- about 60 percent of those holding Associated Student membership -- turned out for our first election in which the Viking was selected as a mascot and the colors, orange and blue, were adopted officially.

Athletically, we were quite successful in our first three inter-school contests, defeating Vallejo Junior College in football, Monterey Peninsula College in water polo and San Jose City College in cross country. We lost our second football game -- to a strong Hartnell team -- but the margin was close and we felt that the moral victory belonged to our Freshman team.

"come right out" and arrest this suspect; which of course we could not do.

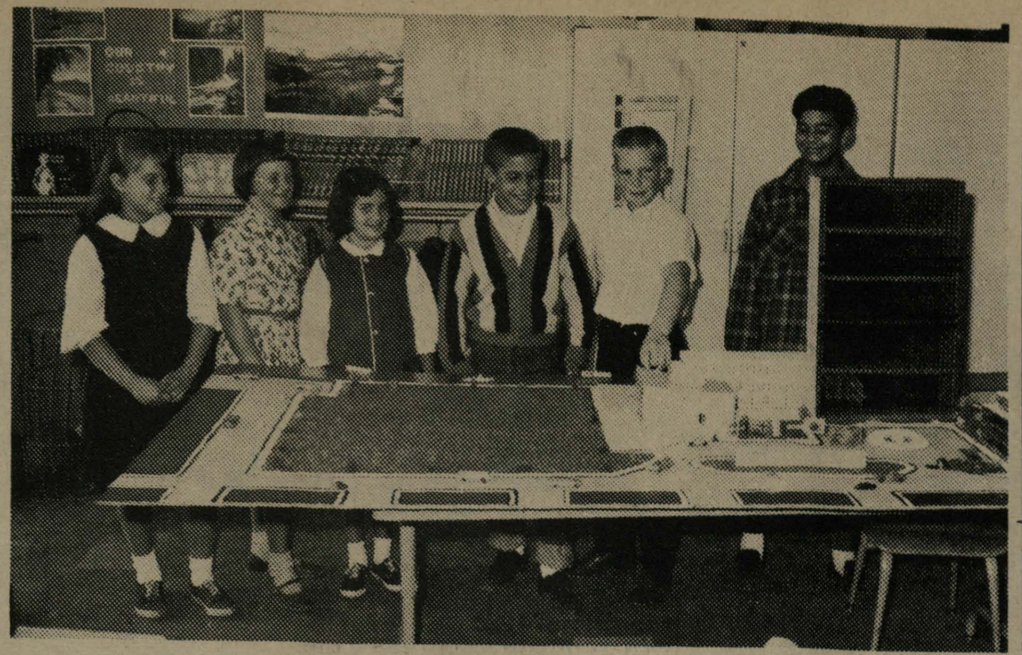
The barking dog; the neighbor who works on his car to your discomfort; or any offense which is a personal problem cannot be solved by the police alone. First of all, we recommend that neighbors should be able to work out their own grievances without calling the police, intelligently and sensibly. However we know that this is not always possible and therefore, it is important that when you do call us, be prepared to support us. So often we get the call "Protect us, but don't involve us". This is impossible. You are Law Enforcement! Without your help, cooperation and support, we could not effectively exist.

Often police are criticized for the existance of certain laws, speed limits for example, or more recently, parking time limits. We do not establish or make laws. We should and must enforce them.

If the people feel that an area should have unlimited parking, they have the right; not only the right but the duty - to request the necessary change through their representatives, their councilmen. But as long as the law exists regulating parking, it should be and will be, enforced. We cannot enforce it in one area or for one person and not another.

It has been a pleasure for me to be associated with the City of Campbell for over ten years. I would like to conclude by sincerely thanking all of you who have supported and wanted good law enforcement for your city.

I will continue to do everything to make our City a safer and better place in which to live, work and play. My personal thanks to the Campbell Press and You, for helping make this possible.



UNITED NATIONS EXHIBIT- The Moreland School District will be represented at the United Nations Festival this month by the fifth grade class of the Amber Drive School, who have built a model of the United Nations complex in New York. The model will be a featured exhibit at the U.N. Festival at the Santa Clara County Fairgrounds October 24 and 24. Admiring the model are these students who helped on the project, (left to right) Cynthia Aspesi, Melody Wormley, Valerie Wohl, Neil Sliger, Gary Donnel and Cero Tomasello. Their teacher is George Gilluly.

MORE ABOUT

WVJC campus

Continued from page 1

School and the Saratoga Civic Center, in an area now zoned as one acre residential and agricultural. Approximately 130 acres, the land is now held by thirteen owners. The topography is gently sloping toward Allendale Avenue and two water courses run diagonally from South to North. Terrain is partially wooded in oak and orchard trees. The relative cost of this land, compared with other sites studied, is moderate. Soil conditions are good, the site well orientated and easily developable for expansion.

Other board action included awarding of a contract for $2,180.00 to the E. J. Jessup Paving Company for blacktopping the inner courtyards at the temporary campus at 51 E. Campbell Avenue. Board action also appointed the insurance firm of Sander & Sullivan, San Jose, as resident agents for the insurance program of the college.

A special meeting of the Governing Board of the WVJC District will be held on Thursday evening, October 22 at 5 p. m. At the meeting, which will be held in the Superintendent's office at 51 East Campbell Avenue, the board will consider an agreement with Federal Housing and Home Finance Agency regarding advance planning funds available and also hold preliminary discussions on the date for the bond election.

SURFBOARDS TAKEN

Two surfboards and a wet suit valued at $227 were reported stolen from the garage of Fred W. Newton, 1045 Springfield Drive, Campbell. Newton told police the surf boards were suspended on racks from the rafters of his garage. The garage was left unlocked during the night. Police are investigating.

Tomas Expressway approximately 515 feet north of Latimer Avenue. At the same time a tentative subdivision map by Fred E. Chez and Lowell E. Grattan of 24 lots of property located on the north side of W. Latimer, across from Branbury Drive, Marianna Way and Sondra Way will be submitted.

MORE ABOUT CAMDEN FIRE

Continued from page 1

should develop in this area, the Campbell Fire Department would appear to be almost helpless to throw any great amount of water on the fire. The only other fire hydrant which can be utilized for fighting fire in this area is located at the intersection of Winchester and Sunnyoaks.

According to the Campbell Fire Department the threat of impending disaster has been known for quite a while, but plans for additional fire hydrants and water mains to serve them have had to wait until the planned future straightening of Camden Avenue.

Campbell police officers re-routed the heavy Winchester Boulevard traffic and stopped the approaching train, enabling the fire-fighters to stretch their hose across the highway and the railroad tracks. Traffic was also stopped on Camden Avenue.

Fortunately the unoccupied shed which burnt to the ground Friday was relatively isolated and firemen were able to control the flames and keep them from spreading to other large buildings. The next time may not be so fortunate.

CAR STOLEN

Robert N. Boyd, 20, 464 Sunberry Drive, has had his 1964 GTO Pontiac stolen, according to a report from the Campbell Police Department. Boyd told the investigating officers the vehicle was parked in the carport of his apartment and was taken sometime during the night of October 15. The ignition was locked.

WINDOW BROKEN

Vandals broke an 8 by 10 foot display window at Lindee's Decorators, 1625 West Campbell Avenue over the week-end, Campbell Police report. The window was broken in three places by large rocks.

Why Pay Twice? It would cost Californians over $300,000,000 in additional social security taxes for the proposed federal "medicare" plan—*where medical care programs are already provided for those over 65*

The physicians of California consistently have maintained that adequate medical care should be available to all people of this State, regardless of race, creed, color or financial status.

For those over age 65 in California, health care is provided in many ways. There are medical insurance programs which can be bought independently at reasonable cost. Other private and public programs are available where extensive medical costs would be a hardship.

The recent Kerr-Mills law, for example, enables California to provide broad benefits to those over 65 who might have difficulty in meeting the expenses of prolonged illness. With its full application in this State, as urged by California physicians, the Kerr-Mills law would be even more effective in covering physician, hospital, nursing home, drug and dental needs.

No better care for the elderly will be provided by taking an additional $300,000,000 in "medicare" social security taxes out of your pockets, when health care programs are presently available.

Modern Times GARAGE

In this day and age...
SHOULD GARAGES BE FORCED TO HIRE BLACKSMITHS?

No more than railroads should be forced to hire firemen on diesel freight locomotives where there are no fires to tend nor coal to shovel.

It would cost *you* money every time your car was in the garage if garages had to hire featherbedding blacksmiths.

And it costs *you* money every day in higher freight rates on the food and goods you buy because an old horse-and-buggy-days law requires California railroads to hire featherbedding firemen.

Proposition 17 repeals that costly, outmoded law. Proposition 17 makes it possible for California to put into effect the national transportation settlements—worked out by Congress and Presidents EISENHOWER, KENNEDY and JOHNSON—which eliminate wasteful featherbedding in the railroad industry under terms that insure maximum job protection, yet retain two men in the cab of all trains.

Keep California competitive...
END WASTEFUL RAILROAD FEATHERBEDDING!

Mr. Sal reopens Salon of Beauty

Old friends and patrons are flocking back into downtown Campbell this month to welcome back the familiar face of Salvadore Tela, hairstylist extraordinary. Mr. Sal, as he is known, is back at the same establishment at 383 E. Campbell Avenue where he built an enviable reputation as one of the most skillful operators in California.

Mr. Sal has other talents besides hair styling. He is an accomplished musician. He has played in several jazz combos and played the piano and drums in the Seventh Fleet Band while in the U. S. Navy. He also enjoys hunting and fishing and likes to go camping. He is married and has three children, a girl, 8, and two little boys. The family home is at 1685 Ebbets Drive, Campbell.

He and his wife, Mary Lou, both paint. This is one of his major talents. A flair for interior decorating has found expression from time to time, although he has not chosen to do so professionally.

Asked about the hair styles he enjoys designing Mr. Sal says "I don't believe in the big, blown-out, heavily teased hair-do's. Women are lovelier in something soft that is easy to care for during the week, something that can be casual by day yet easily transformed into something glamorous for evening."

MISS CAMPBELL GET NEW HAIR STYLE- Miss pat Rhine, "Miss Campbell," to her many friends in Campbell and at San Jose State College where she is majoring in English, gets expert beauty care from Mr. Sal, who has reopened his Salon of Beauty in Campbell.

Circle Meetings for October announced by Methodist Church

The Circle Meetings of the Women's Society of Christian Service of the First Methodist Church of Campbell for October are:

Elizabeth Overby Circle; Wednesday, October 21, 9:30 a.m. at the church, Hostess is Mrs. Ronald Bedington.

Elsie Stockton Circle Thursday, October 22 at 10:00 a.m. at the home of Mrs. Howard Guilbert.

Eulah Cook Circle; Wednesday, October 21 at 8:00 p.m. at the home of Mrs. Richard Lamy.

Faith Richardson Circle; Thursday, October 22 at 1:00 p.m. at the home of Mrs. John Van Meter.

Florence Prouty Circle; Thursday, October 22 at 1:00 p.m. at the home of Mrs. Rex Kaber.

Frances Hackler Circle; Thursday, October 22 at 1:00 p.m. at the home of Mrs. Dean Chamberlain.

Sarah Bennett Circle; Thursday, October 22, at 1:00 p.m. at the home of Mrs. G. S. Robson.

The above-named groups are so named, after women who are actively working in the missionary fields or in other full-time Christian service. It is the desire of the women of the First Methodist Church of Campbell to increase their Christian service and cordially invite all interested women in the community to join with them in these meetings. For further information, please phone the church office, 378-3472.

Halloween party tonight

Mrs. Ann Rhine will be hostess to members of the Campbell Business and professional Women's Club for a halloween party tonight at 7 P.M. A potluck dinner will be served and later there will be a costume parade. All members are urged to attend. President Anamae Periera will conduct a business meeting.

Mrs. Edward Bianchi, president of Carousel Chapter, Children's Home Society, dons her witches costume to welcome little Julie Davis and Peter Lindner to the "Haunted House" at 573 W. Latimer Avenue. The Children's Home Society, an adoption agency, will welcome the public to the "Haunted House" beginning October 24 thru October 31.

Kids welcome at haunted house

Campbell will have its own "Haunted House" the week of Halloween, at 573 W. Latimer Avenue. Beginning October 24, the public is invited, (especially the kiddies) to visit the old house, which has been decorated by area merchants to thrill the youngsters. Funds raised by this project of Carousel Chapter will go to maintain the Children's Home Society, an organization helping natural parents, children needing adoption and couples wishing to adopt children.

The house will be open on week days from 3:30 to 8:30 P.M. and from 1 until 8:30 P.M. on weekends. There will be a special room for small children. Admission is fifty cents. Mrs. Edward Bianchi of Campbell is president of Carousel Chapter, Children's Home Society, and Mrs. Warren Zimmerman is chairman of the project.

SOCIAL SECURITY

Questions and Answers

By Gladstone A. Boquis'
Field Representative

SOCIAL SECURITY

Q. - I lost my social security card. I thought I had the number memorized, but now discover I have given an incorrect number at the last four or five places I've worked. How can I straighten this out?

A. - First, never rely on your memory. If you lose your card, get a duplicate card immediately and always carry it with you. Duplicate cards are obtained in the same way as your original card. You should contact the Social Security Office and furnish the names and addresses of your employers, together with dates worked and the amount of wages you earned. If you have most of this information, we will be able to correct the error.

Q. - I've just started in business and have two employees. How often do I send in a social security report on them?

A. - Every calender quarter. You have one month after the end of each quarter before your report must be in. For example: the report for the July, August, September quarter is due by October 31; the January, February, March report is due by April 30, etc. You should get in touch with the Internal Revenue Service for instructions and the necessary forms for preparing your report.

Q. - I send in social security reports on the employees in my store. My wife always sends in a separate report on our maid. Somebody told me I can include our maid on the store's social security report. Is this true?

A. - Yes, you may report your maid on your business report.

Q. - How much do I deduct from my employee's wages for social security? He works for me part-time in my business.

A. - You deduct 3-5/8% of his wages. Add an equal amount to it and sent it to the District Director of Internal Revenue at the end of each calender quarter. You may obtain the necessary form and reporting instructions from the Internal Revenue Service.

CREATIVE DANCE

Eva Geddes, teacher of Creative Dance for children and Rhythmic Exercise for adults, announces the opening of her classes at the First Methodist Church of Campbell, Winchester Road. She will also offer a special course in Charm and Personal Improvement with special rates for teen-agers. For information and enrollment call 378-3472 on Wednesdays between 2 and 4 PM.

PEPPERDINE MEETING

Mrs. Cliff Winters of Campbell, program chairman for Associated Women for Pepperdine College District 21, announces that the State President, Mrs. R. A. Barlow, will be in attendence at the first general meeting of the group, October 23. Mrs. A. D. Houston, 13050 Pierce Road, Saratoga, will be the hostess. Mrs. Barlow's topic will be "Christian Education at Pepperdine College.

Applications for NROC program now open

Rear Admiral John Mcn. Taylor, Commandant, Twelfth Naval District announced today that applications are being accepted for the Naval Reserve Officer Candidate Program. This program is open to male members of the Naval Reserve and to civilians if they are attending an accredited college. Qualified individuals should submit their applications prior to February 1965. Civilians selected for this program will be enlisted in the Naval Reserve.

The Reserve Officer Candidate Program leads to the qualified individuals appointment as a Naval Reserve Officer, in the grade of ensign, in the general Line, Supply Corps, or the Civil Engineer Corps. While enrolled in this program the college student will accumulate service credit and will attend regular Naval Reserve meetings for which he will be paid. As a key part of this Program the student will receive two eight week summer sessions of training at Newport, Rhode Island. These sessions will be conducted during the summer and will in no way interfere with the students academic progress. These summer sessions are designed to provide the basic skills, knowledges and attitudes necessary for the student to qualify for his appointment as a Naval Reserve Officer.

After the successful completion of these two eight week sessions and the receipt of his college degree the candidate will be commissioned an ensign in the Naval Reserve and will be eligible for assignment. Available assignments include duty with the globe-circling fleets, pilot training, or advanced schooling in military specialities. In addition to being eligible to apply for additional academic study toward advanced college degrees.

Interested Naval Reservists and civilians can obtain information or application forms, regarding this program from their nearest Naval Reserve Training Center or Training Facility by visiting or contacting the Naval Reserve Recruiting Office located at the Naval Reserve Training Center in this area at 19th and Mission Streets in San Jose.

New Books

AT THE CAMPBELL LIBRARY

Fiction:

BRIGHT DAY, DARK RUNNER by George Cuomo.

A great big broth of a book - an unorthodox novel that is broad and deep, funny and serious, about a wandering cook who comes to Cape Cod to work at a resort hotel. He soon becomes implicated in the crimes of mirth perpetrated by his colorful associates. His story, even at its funniest, is the story of a man who has seen and suffered and rejoiced - far more than most men.

NOT IN THE CALENDAR
by Margaret Kennedy.

If doing as one likes is a prerequisite of saints, then Caroline Knevett was one. Throughout a rich, full life she did exactly as she liked but completely without any awareness of sanctity. Caroline's particular endowment was that she provided a propitious climate in which the prisoner inside people began to spout. Another excellent novel by Margaret Kennedy.

Non-Fiction

THE CHEECHAKOES by Wayne Short.

Like a latter-day Swiss Family Robinson, the Short family cast their fortunes ashore on a lonely Alaska island just after World War II. This is a remarkable and exciting story of how a family learned to cope with life in one of the wildest and most remote areas in America. It tells how they worked together, how they came to love it and accept it as a home they would never leave.

WILD LIVES OF AFRICA by Juliette Huxley.

This is Lady Huxley's account of a journey through South, East and Central America. Her husband, Sir Julian, was on a survey of wild life conservation for UNESCO. Lady Huxley presents a rich tapestry of animals, flowers, trees, scenery, ancient monuments and living people--all described with wit, learning and sharp observation and illustrated with many of her own and Sir Julian's photographs.

CUB SCOUTS

"Vacation Fair" was the theme of the September meeting of Pack #377, which was held at Hazelwood School under the leadership of Cubmaster Robert Ross. The cubs made scrapbooks or exhibits showing the many different places they visited and things they did during summer vacation.

Mrs. Sally Paulsen's Den #10 opened the meeting with a flag ceremony.

Mrs. Pigg's Den #1 received the flag for attendance and Mrs. Carol Rains' Den #9 received the star for neatness.

Badges and ranks were awarded after Cubmaster Ross led the entire Pack in the Cub Scout Promise and the Law of the Pack.

Webelos patches were awarded to Martin Ageson, Brad Harrison, Tim Daly, and Louis Scrivano.

Lion badges were awarded to Steven Lopez and Louis Scrivano.

Bear badges were awarded to Drew Lucas, Kevin Smith, and Jeff Mathis.

Jeff Mathis also earned his Wolf badge.

Gold arrow points were awarded to Steven Lopez and Jeff Mathis.

Silver arrow points were awarded to Tim Daly, George Jeffers (2), Jeff Mathis (4), Bill Branson (3), and Jim Oswald.

Denner stripes were earned by Steven Stewart and Jim Oswald.

Assistant Denner stripes were earned by Kevin Smith and Billy Young.

Assistant Cubmaster Lloyd Gravatt accepted the new Webelos into that group with a few welcoming words and the presentation of their Boy Scout Handbooks.

Cubmaster Robert Ross expressed his own appreciation and then presented Appreciation Plaques on behalf of the Pack to Outgoing Assistant Cubmasters Lloyd Gravatt and Don Mason and outgoing Den Mothers Lela Ageson, Katie Ross, Francis Pigg, and Natalie Kilgore for all they had done for the Pack.

Den #3 presented Mrs. Lela Ageson with a potted plant in appreciation of all her time and efforts extended in their behalf for the past two years.

NEW RECRUIT

William G. Turner, son of Mr. and Mrs. William G. Turner of 684 North Harrison St., Campbell, California, has reported to recruit training at the Naval Training Center, San Diego, California.

ALQUIST WORKER--Loretta Riddle of 127 Peter Drive, Campbell, was among 17 women honored here by Assemblyman Alfred E. Alquist (D-San Jose), left, for 5 or more years of active engagement in Santa Clara County Democratic campaigns. Mrs. Riddle, seen here, received special commendation for the work she has done in behalf of Alquist specifically. The award took place during an Alquist fund-raising dinner last night at Rickey's. Over 300 guests attended, including Alameda Democratic Assemblyman Robert Crown (right).

Also recognized was Betty Lawrence, 560 Cindy Lane, Campbell.

cleared the tracks nationally for railroad peace—Let's complete the job in California!

PROPOSITION 17 makes it possible for California to put into effect the national transportation settlements—worked out by Congress and Presidents Eisenhower, Kennedy and Johnson—which eliminate wasteful featherbedding in the railroad industry under terms that insure maximum job protection, yet retain two men in the cab of all trains.

These settlements are now in effect in most states—but not in California because of a conflicting "horse and buggy days" law which Proposition 17 repeals.

To keep California competitive—
To help keep freight rates down—

W.W. 1. Vets meet Saturday

The monthly meeting of Winchester Barracks, Veterans of W. W.I. will be held on October 24th at 1:30 P. M., American Legion club house on Dell Avenue, Campbell. Meetings are always held on the fourth Saturday every month, same place and time.

This meeting will dedicate the American Flag presented to the Barracks by Congressman Charles S. Gubser who it is hoped will be able to attend.

It also marks the annual nominations of candidates for office for the year 1965 with a report from the nominating committee which has been making a canvas of the membership.

Present Quartermaster "Dick" Vowles is in Tokyo for the Olympic games and is not expected to be back before December first. Adjutant Lee Johnson has been forced to resign pending hospitalization at Palo Alto V. A. Hospital.

Members of the barracks assisted in the dedication of the school colors of West Valley Junior College at its opening on September 14th at the temporary college site, the former Campbell Grammer school building.

All W. W. 1 veterans are invited to the meetings and the refreshments as usual.

Birthdays noted by local Grange

Tables were decorated for each month of the year at the Birthday Night program which was the featured entertainment at the recent meeting of Orchard City Grange. Mrs. John Kregelo was chairman. There was a hostess and co-hostess for each table and a short program by members at each table.

Deputy John Buck reminded the members to be on hand to receive the fifth and sixth degrees Thursday, October 22, at the Civic Auditorium during the convention. The Fourth Degree will be exemplified by Orchard City's Degree Staff. Werner Raab announced that the next Orchard City Grange Breakfast will be held at the Grange Hall, on Sunday, October 25 from 9 until 2 P. M. The public is invited.

During the meeting Master Adeen Dooley turned the gavel over to the Master of the Grange Degree Staff, Zelia A. Martin. All four degrees were conferred by Mrs. Martin to eleven candidates from Los Gatos Grange, one from Berryessa Grange and one to Orchard City Grange.

AFTERNOON SOCIAL

The Westhills Service Club, under the direction of Mrs. Ford Whitney and Mrs. Hector Daves, is making plans for an afternoon social for October 22 to be held in the home of Mrs. Alfred Pinard, 745 E. William St., San Jose.

The social affair is from 1-4 P. M., and funds will be used toward the Club's project, Hope for the Retarded Children School, Cupertino.

POT-LUCK DINNER

The Pennsylvania Club's Annual Fall Pot-Luck Dinner is October 24, 6:15 p. m. at Old Orchard Mobile Home Park, 2151 Little Orchard, back of G. E. Plant on Hwy 101, south of San Jose. Bring a main dish or dessert and own table service. For further information call Wm. McGinnis, San Jose, 296-3273 or Herbert Henry, San Jose, 269-6594.

MEN'S ADULT P. E.

OUR TOWN

By Grace Hebard

THE DAVID SCHRADER family of Marina Way has a foreign exchange student from Germany living with them this year. He is "Fritz" Schumacher of Ulrichstein, and is attending Del Mar High School for his senior year. Fritz, whose father is a druggist, is planning to be either a chemist or a doctor. During the summer he will tour the United States with the American Field Service. According to Mrs. Schrader Fritz speaks excellent English and the whole family is enjoying his visit..

...

MRS. LILYAN BRANNAN of Andrea Court is off by air to Atlantic City as a delegate to the American Heart Association Convention. All the latest scientific heart research will be presented at this annual meeting attended by M. D.'s, scientists and delegates from all corners of the world..

...

GARY JAMES EWELL of Lorelei Court received his master of science degree in metallurgy from the Massachusetts Institute of Technology recently...

...

RICHARD GORDON, 91 S. Jane Ann Way, is the musical director for "The Unsinkable Molly Brown" to be presented in November by the new West Valley Light Opera Company in the auditorium of the WV Junior College. Gordon will be returning to his old "stompin grounds" wher he conducts the orchestra for the performances of Molly Brown as he was formerly the musical director for Campbell Grammar School. He is now on the music staff at Camden High School. Gordon spent 12 years as a violinist with the San Jose Symphony and has been a member of the Santa Clara Philharmonic since its inception. The show will run the first three weekends in November..

...

MRS. JOHN HANNON is chairman of St. Lucy's Mothers Guild fashion show slated for October 29th and 30th. This is a showing of "home-sewn" fashions with pattern numbers and ideas for fall wardrobes available to those handy with a needle and thread..

Cartoons are funnier on color TV.

Color can be funny on TV for the same reason it's funny on clowns.
Take an animated children's show on color TV. An angry face turns six shades of red; a tossed blueberry pie becomes colorfully gooier.

Color TV captures the clowning with a picture that's bright and true. The sets are easy to tune. There are more programs in color than ever before, and more models and prices to choose from.

Grades affected when cars driven to school

Young drivers are becoming involved in more auto accidents than ever before, according to a recent study.

Parents must realize the importance of strict supervision of their children's driving habits, as young drivers have the highest accident and death rate of any age group on the road today.

Another important reason for parental control of young drivers is that their education will suffer if they are allowed too much use of a car, according to the report made by a large insurrance company. Findings show that the more a student used a car during the week, the poorer his grades were.

Late accident figures from the National Safety Council, show that drivers in the 15-24 group have an accident and death rate nearly double that of older drivers.

Young drivers under 20 have accidents at an annual rate of 35 per 100 drivers, while drivers aged 20-24 have 30 accidents per 100 drivers.

But even if the young driver is well trained, studies must come before driving. Study shows that too much use of a car affects the grades of good students as well as poor students.

Grades start to suffer when the car is used more than two days out of five during the school week. Students who do not drive or who use the car only on weekends have the best grades, while those who drive two to four school days a week have significantly poorer grades, the survey proved.

Recommendations to parents interested in helping their children become good students and good drivers:

1. Make sure that scholarship comes first and driving second.
2. See that they get proper driver training in a high school.
3. Restrict the use of cars to weekends and keep the week days for school work. There will be exceptions, but this is a good basic approach.
4. Don't permit a teenager to have a part time job just to pay for a car or to support one.
5. Keep the keys in your own pocket and lend the car only under the proper circumstances.

Navy Ensign Robert K. Dawson, son of Mr. and Mrs. James K. Dawson of 385 Lawn Dale, Campbell, California, recently graduated from Pre-Flight School at the Naval Air Station, Pensacola, Florida.

Service station crop still growing

Charles Weaver, Service Station Sales Training specialist with Tidewater Oil Company, will teach a course in Service Station Sales training at Leigh Adult Center on Thursday evenings beginning October 15. Account Keeping, records and business aspects of service stations as well as technical aspects of customer service will be emphasized according to E. P. Stanley, Director of Adult Education, Campbell Union High School District.

Observation trips will be taken to various types of Service Stations as a part of the training. Persons wishing to lease, persons now employed or those seeking training for employment are invited to sign up at Campbell Adult Center daily, or Leigh High School Thursday evenings. You may phone the Campbell Adult Education Office 379-4710 for further information.

Saratoga Club sponsors membership tea

Plans have been completed for a membership tea to be given October 24th at 1:30 at the home of Mrs. Donald M. Wolfe, sponsored by the Saratoga Jr. Women's Club, C. F. W. C.

California Jr. Club women are women between the ages of 18 and 35 whose membership in a junior club provides the opportunity to serve their community in varied fields including, Health, Safety, Conservation, International Affairs, Education & Literature, Fine Arts, Youth, Mental Health, and Build a Better Community.

Reservations may be made by calling Mrs. Charles Beattie, 378-7080, or Mrs. Donald Wolfe, 253-2641 by October 23rd.

Daylight saving ends; time to turn clock back

Campbell residents are reminded that the time of confusion is upon us once again. On Sunday, October 25, citizens all over the state of California will either be late for church---or arrive an hour too early. Others will completely be unaware of the fact that the clocks are supposed to be tampered with on Sunday and will wait in vain on the street-corner Monday morning for the ride that had either passed an hour earlier or wouldn't appear for another hour.

Mothers will again be frustrated trying to get children to bed at the accustomed hour--or else be awakened too early in the dawning by children who cannot adjust their sleeping time to the whims of the law-makers.

Anyway on Sunday don't forget to turn your clock back an hour, as the end of daylight savings time comes once again. A saying designed for easy remembering as to whether the clock should be turned ahead or back is "Spring ahead, Fall back." Happy confusion.

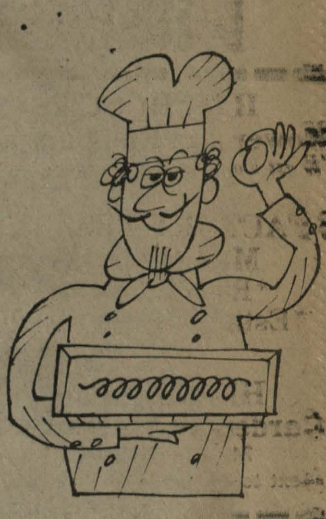
DRUGS
TELEPHONE INSIDE

You're seldom far from a phone these days. There's at least one in most homes, nearly all business offices, and at handy public locations.

Wasn't always so, you know. Used to be that people had to run down to the local drugstore or soda fountain to make a call. But over the years we've kept changing, improving and developing our equipment and service to make the phone a truly commonplace wonder. Today you can reach some 170-million phones round the world—without budging a foot outside your door.

• • •



"Bakery" for telephone cords. Ever wonder how the coiled cord on your telephone gets its spring? First, the cord is made from the following ingredients: bronze, nylon, plastic, paper, brass, silver and a wee pinch of mica dust. *Then it's tightly wound on a steel rod and baked in a 268° oven for eight minutes.* Baking "sets" the coil shape and gives the spring action that lets your phone cord stretch for convenient use, then coil back neatly and safely out of the way.

• • •

We'd like to remind you to be sure and vote on Tuesday, November 3.

LEGAL NOTICE

NOTICE INVITING SEALED PROPOSALS OR BIDS
CITY OF CAMPBELL
CAMPBELL AVENUE-IMPROVEMENT DISTRICT NO. 9

Pursuant to the Municipal Improvement Act of 1913, as amended, and the resolution directing this notice adopted on September 14, 1964, by the City Council of the City of Campbell, said City invites sealed proposals or bids for the construction and installation of street improvements in that area known as Local Improvement District No. 9 in the City of Campbell, California, including grading, paving, curbs, gutters, sidewalks, storm sewers, and all necessary appurtenances thereto, as more particularly described in Resolution of Intention No. 1751 adopted by said City on September 14, 1964, which resolution is on file in the office of the Clerk and to which reference is hereby expressly made for a more particular description of the work to be done.

All of said work is to be done at the places and in the particular locations, of the forms, sizes and dimensions and of the materials, and to the lines and grades and at the elevations as shown and delineated upon the plans, profiles and specifications made therefor and preliminarily approved by said City on September 14, 1964.

Payments will be made in cash by said City to the contractor in accordance with the provisions of the specifications and on itemized estimates duly certified and approved by the City Engineer submitted in accordance therewith, based on labor and materials incorporated into said work during the preceding month by the contractor.

Notice is hereby given that on September 14, 1964, the City Council adopted a resolution determining the general prevailing rate of per diem wages to be paid to the various craftsmen and laborers required to construct said improvements, a copy of which wage scale is contained in and made a part of the specifications for said work, to which reference is hereby made for further particulars.

All proposals or bids shall be accompanied by a cashier's or certified check payable to the order of the City, amounting to ten per cent (10%) of the bid, or by a bond in said amount and payable to said City signed by the bidder and a corporate surety, or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said City in case the bidder depositing the same does not, within 15 days after written notice that the contract has been awarded to him, enter into a contract with the City.

Contractor shall furnish to City a faithful performance bond and labor and material bond as required in said specifications.

Said sealed proposals shall be delivered to the Clerk of said City on or before 2:00 o'clock P.M. of the 6th day of November, 1964, at the City Hall, Campbell, California, said time being at least fourteen days from the time of publication of this notice. Bids will be publicly opened, examined and reported to and declared by City Council at 8:00 o'clock P.M. on November 9, 1964.

A copy of the plans and specifications may be obtained from the office of the City Engineer, 161 Grant Street, Campbell, California, upon deposit therefor of $15.00 which will be refunded if said plans and specifications are returned within fifteen days.

WVJC to face Chico Saturday at Chico

West Valley's gridders under Head Coach Bob Jones will travel to Chico State Saturday in hopes of evening their record at 2-2 at the expense of the Chico State frosh team.

Coach Jones was hoping for a 5-2 record after the opening victory over Vallejo but after successive losses to Hartnell and Menlo he has had to drop his goal downward.

Chico State isn't a school noted for its emphasis on athletics, but Jones isn't looking for an easy win. "Any team will be tough for us", he said, in obvious reference to the Vikes poor showing in the Menlo game.

Coach Jones, in an effort to add more punch in the offense, has experimented with the Iformation. The offense is quite a change from the pro-offense used by West Valley.

In the new offense Fred Falk (Buchser) has been switched to wingback to take advantage of his blocking with Dan Wilcox (Buchser) at fullback, Tom Gibbons (Campbell) halfback, Rich Dougherty (St. Francis) quarterback, and Jim Tyrell (Leigh) and Frank Huftless (Los Gatos) at split end. Also, George Shirakawa (Corcoran) has been running at fullback during practice sessions.

The new offense will feature reverses and halfback passes, but the Vikes will probably revert to their original offense against Chico. Jones has been driving his boys hard during practice sessions in an effort to find a satisfactory first team. The personnel so far have been mainly the same but the improvement hasn't been what it was hoped to be.

In the injury department Roger Profit (Leigh) has been held out of drills because of a possible consussion, but he is expected to be ready by game time. However, Danny Flowers (Santa Clara) has been lost for the season. Flowers was heavily counted on by Jones for his running, but his leg has not responded to treatment. Because of Flowers' injury, Tom Gibbons of Campbell has been doing and probably will have to continue to do the majority of the ball-carrying.

WVJC outruns Monterey 26-29

Running over hills and through barbed wire, West Valley's harriors knocked over its fourth straight opponent in regestering a convincing 26-29 victory over Monterey at Monterey, Saturday.

Deviating from the standard three-mile junior college course, Monterey threw a grueling 4 1/2 miler at the Vikings. Monterey's Bobby Crispin, runner-up in last year's Coast Conference finals, paced both schools in 27:20. West Valley's Gordy Fredrick of Leigh was second in 27:50, and the Vikes' Ben Rogers of Willow Glen finished third in 27:59, Neil McIntosh and Paul Uredenburg gave Tom Smith's squad good depth in finishing fifth and sixth to ensure West Valley's fourth consecutive win.

The Vikings showed improvement in running as a team, and hope to continue their running and winning ways as they go against Gavilan, October 23.

LEGAL NOTICE

NOTICE OF TRUSTEE'S SALE

NOTICE IS HEREBY GIVEN: On Tuesday, November 17, 1964 at the hour of 10:30 o'clock A.M. of said day, at the main entrance of the Santa Clara County Court House in the City of San Jose, County of Santa Clara, State of California, PACIFIC STATES MORTGAGE COMPANY, a corporation (formerly East Bay Mortgage Company) a corporation, as Trustee under the hereinafter mentioned deed of trust, will sell at public auction to the highest bidder for cash, in lawful money of the United States, the interest acquired and now held by it as such Trustee in and to the following described real property situated in the City of San Jose, County of Santa Clara, State of California, to-wit:

All of Lot 92, as shown upon that certain Map entitled, "Tract No. 977 Sunland Park Unit No. 2", which Map was filed for record in the office of the Recorder of the County of Santa Clara, State of California, on July 19, 1955 in Book 59 of Maps, pages 40 and 41.

EXCEPTING THEREFROM the underground water, as granted in the Deed from Sunland Development Company, a partnership, to San Jose Water Works, a California Corporation, dated April 5, 1957, recorded April 8, 1957 in Book 3769 of Official Records, page 23.

Said sale will be made without covenant or warranty regarding title, possession or encumbrance, to satisfy the obligations secured by, and pursuant to the power of sale conferred in, and on account of default under, a certain deed of trust dated August 1, 1960, between ARTHUR T. WAUGH AND MARY L. WAUGH, his wife as Trustors, and EAST BAY MORTGAGE COMPANY, a corporation as Trustee, and EAST BAY MORTGAGE SERVICE, INC., a corporation as Beneficiary, and recorded in the office of the County Recorder of the County of Santa Clara, State of California, on August 18, 1960, in Volume 4879 of Official Records at page 498.

TAXES ARE PAYABLE
FOR THE FISCAL YEAR 1964 - 1965

For the information of Santa Clara County Taxpayers, the following are important details concerning taxes for the current year:

THE FIRST INSTALLMENT

of taxes, which includes one-half of the total tax on all Personal Property secured by real estate, and one-half of the total tax on all Real Property, becomes due on Nov. 1,1964 and is delinquent on December 10, 5:00 P.M., 1964, after which time a penalty of 6% is added.

THE SECOND INSTALLMENT

comprised of the remaining one-half of the tax on all Personal Property secured by real estate and one-half of the total tax on all Real Property is due on February 1st, 1965 and becomes delinquent on April 10th, 1965 at 5:00 P.M., after which a further penalty of 6% and costs are added to all unpaid taxes.

BOTH INSTALLMENTS

of taxes may be paid in one remittance with the first installment, if desired.

ALL TAXES MAY BE PAID
AT ANY TIME AFTER RECEIVING YOUR TAX BILL
ON October 30, 1964

The Tax Collector's Office in the County Administration Building, 70 West Hedding Street, San Jose, is open for your convenience every day from 8:00 A.M. to 5:00 P.M., Saturdays, Sundays and legal holidays excluded.

TAXES MAY BE PAID BY MAIL

Checks accepted for **EXACT AMOUNT OF TAX BILL ONLY.** BE sure to bring your Tax Bill with you, or enclose it with your remittance by mail.

LOUIS A. LOPES
SANTA CLARA COUNTY TAX COLLECTOR
70 West Hedding Street
San Jose, California, 95114

IMPORTANT:

Original tax bills are mailed to taxpayers to whom the property is assessed on the 1st Monday in March, providing the Tax Collector has been furnished with the correct mailing address, except when the bill is requested by a lending institution, in the case of a purchase, moving, renumbering or if the Post Office is changed due to annexation, please notify the Tax Collector. If property has been sold, please forward tax bills to new owners, or return to Tax Office. Original tax bills must be returned when paying taxes. If you have not received all your tax bills by November 1st, please write or call at the Tax Collector's Office in person.

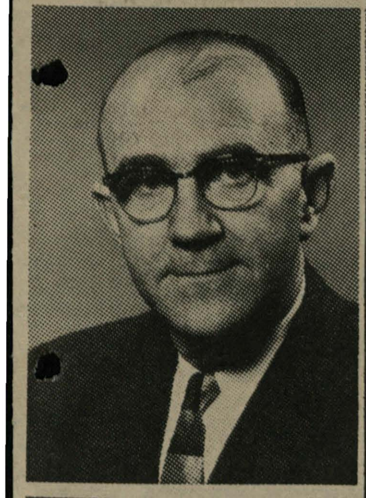
Congregational Church anniversary dinner

Harland E. Hogue, professor of Homiletics at Pacific School of Religion in Berkeley and a noted Church historian, will be the featured speaker at a 75th anniversary dinner meeting for members and friends of the Congregational Church of Campbell at 7 o'clock, Friday evening, October 23.

The dinner affair is held in celebration of the 75th anniversary of the founding of the church in 1889. The history of the church will be highlighted in the program of the evening. Paul Cooking, tenor, will be the soloist for the occasion, a skit pertinent to the occasion is to be presented, and greetings will be given from old timers and visiting dignitaries attending the meeting. Ed Cunningham, minister of the church, will serve as toastmaster. Arrangements are in charge of Mrs. Frances Takacs. The dinner will be held in the social hall of the First Methodist Church of Campbell.



HARLAND E. HOGUE

Dr. Hogue holds degrees from Monmouth College and San Francisco Theological Seminary with a Doctor of Philosophy from Columbia University. Before coming to Pacific School of Religion in 1964 he held the chair of Professor of Religion at Scripps College and Claremont Graduate School in Southern California. He has served at Northwestern University, Andover-Newton, and at other schools as visiting lecturer in the field of preaching and of Church History.

Mrs. West heads Moreland Little League auxiliary

The Moreland District Little League Auxiliary has opened the 1964-65 season with the election of officers. Mrs. Fletcher L. West heads the new slate of officers as president. The other officers are Mesdames Millie Buschbacher, vice president; Lindy Hinckley, secretary, Shirley Page treasurer and Evelyn Angelo, historian.

Monthly movies will be shown with the first to be presented Saturday, October 24, at Castro Junior High School. The movie, "Homer, the Great" starring Joe E. Brown, will be shown at 1:00 and 3:00 P. M. Admission is 25 cents and popcorn and candy will be sold.

Meetings of the Auxiliary, which represents the Little League east of Saratoga Avenue and north of Campbell Avenue in the Moreland District, will be held on Wednesday evenings at the home of the President, Mrs. West, at 1220 Flora Avenue, San Jose. Further information may be obtained by calling 296-7868.

AAUW plan fact finding forum

Mrs. M. Floyd Hobbs, legislation chairman for the Los Gatos-Saratoga Branch of the American Association of University Women, announces a fact finding forum on Proposition 14 to be held on Thursday, October 29. The meeting, to which the voting public is cordially invited, will be held at 8 p. m. at the Los Gatos Branch of the First National Bank, 308 N. Santa Cruz Avenue. Access to the bank may be gained through the rear entrance, the Village Lane side.

Local bands to compete in Band Festival

Campbell High School and Leigh High School will compete in open competition tonight in the first annual High School Band Festival sponsored by the San Jose City College. The competition will be held at 6 p.m. at the City College Stadium. Admission is free.

The bands will be judged on standard marching formations, musical sound, and a five minute precision routine by Judges Robert Muzzy, band director at San Jose State; Vincent Carter, music instructor at San Jose City College, and a third judge to be named.

Co-chairmen of the Festival are Robert Craner and Grant Gilbert, members of the City College Student Council. Faculty adviser is Darrell Johnston, director of bands at City College.

The Festival Committee will present a 34-inch trophy to the winning band, and runner-up trophies for second and third place.

MORE OPENINGS

The Methodist Parent Nursery School of Campbell has a few more openings for three year-old children. This group participates in the school's program from 9:00-11:30 a.m. on Tuesdays and Thursdays. Interested parents may contact Mrs. Davis Harvell at 241-1610.

This co-operative nursery is sponsored by the First Methodist Church of Campbell, but is governed and financed by the participating parents

United Fund will dispatch cars to pick up local contributions

Campbell United Fund Campaign Chairman O. S. Sorenson, manager Hamilton Plaza branch of Bank of America, reports that the local residential drive is now getting underway. Sorenson revealed that a new "twist" will differentiate this year's residential campaign from the door-to-door appeals of previous years.

"This fresh, new approach to the residential drive is more convenient and time-saving for both donor and solicitor," Sorenson announced. A special telephone arrangement has been set up whereby donors can call 286-0300 and ask for a courier car to come to their residence for their contribution. In this way, those wishing to contribute can do so with ease, while those who have already given will not be unnecessarily inconvenienced at their doorstep.

Television station KNTV, Chanel 11, will broadcast special appeals between 11 a. m. and 7 p. m. this Saturday (Oct. 24), during which time special operators will take nors. Radio-dispatched courier cars will then be sent to the contributor's home to

pick up the donation. Volunteer United Fund workers will wear identifying "UF Volunteer" ribbons and carry "ID" cards certifying that they are authorized to receive contributions for the United Fund.

"I urge residents of the Campbell community to call 286-0300 on Saturday, the 24th between 9 a.m. and 7 p.m.," Sorenson declared. "Your one contribution will work many wonders among the 65 UF health, youth and welfare agencies," he concluded.

By Jeane Engdahl.

A Fly-Up Ceremony was conducted by the Koki Okihi Group of Camp Fire Girls on Friday, October 9, for Mrs. Arland Hillyard's Blue Diamond Blue Birds. The girls lighted the Bluebird Candles and the Candles of the Seven Crafts, while telling the meaning of each candle.

Members of Mrs. Hillyard's group are: Anna Doyle, Cyenzi Knuth, Maureen Hillyard, Diane Lindberg, Elizabeth Pettaluga, Diana Troop, Cherlyn Fells, and Suzanne Coleman All but the last two received their Blue Bird certificates. Cherlyn and Suzanne were introduced as new members in the group.

The participating members of the Koki-Okihi Camp Fire Group were: Kristi Cook, Kathleen Engdahl, Becky Miranda, Martha Montague, Evelyn O'Brien, Kristina Tidwell, Lynn De Ornellas, and Barbara Williams. Mrs. Frank Cook is their Guardian.

****

There will be Basic Training for Leaders of Bluebirds and Camp Fire Girls held in the Trinity Presbyterian Church on October 22, at 9:00 till 12:00 noon. Other sessions of training for leaders will be on October 26, November 2, November 9, at the same time and place. The address is 2151 Union Avenue.

Ship Dietician addresses local Home economists

Mrs. Kristena De Luz, just recently returned from eight months as dietitian on SS Hope, was guest speaker for San Jose Area Home Economists in Homemaking at a reception for high school counselors and Home Economics teachers from Campbell, Los Gatos and Saratoga, San Jose and other surrounding high schools, Saturday, October 17 at 2 PM in Room 1 of the Home Economics Department of San Jose State College.

"Opportunities for Home Economists in Latin and South America" was Mrs. De Luz's topic for the afternoon. Other career possibilities awaiting home economics graduates in business, research, extension service, health and welfare and dietetics, institutional management, were illustrated in a career display and informally discussed to point up the varied and vital role Home Economics can play in the nations manpower.

Warehouse civil service exam on schedule

Applications are being accepted for positions of WAREHOUSE EXAMINER, GS-5 and GS-7, with the Agricultural Stabilization and Conservation Service, U. S. Department of Agriculture. Applicants with Cotton experience are especially desired.

Starting salaries for these positions are: $5000 a year for GS-5, and $6050 a year for GS-7. Applicants are required to pass a written test, and, in addition, will be rated on the extent and quality of their experience and training relevant to the duties of the position. Considerable travel is involved. Persons unwilling or unable to travel should not apply for these positions.

More information about this examination or application forms may be secured by contacting any of the following offices: the nearest Civil Service office. Post Offices where the announcement is posted, or the Board of U.S. Civil Service Examiners for ASCS, U. S. Department of Agriculture, P. O. Box 205, Kansas City, Missouri (64141).

HAWAIIAN DANCER Miss Sharon Ciraulo of Campbell was one of the Aloha Nani dancers who performed in "A Night in the Paradise Islands" at Montgomery Theater in the San Jose Civic Auditorium recently. Brilliant lighting and a variety of beautiful costumes were featured.

Girl Scout Council meeting

All official delegates and adults in Girl Scouting are invited to attend the Fall Council Meeting of the Santa Clara County Girl Scout Council tomorrow morning at the Cupertino Union Church.

Program highlights will be a talk by two girls who have participated in special opportunities and a panel presentation of the results of the council-wide troop program survey. There will also be a discussion on whether or not Brownies should participate in Cookie sales. Coffee will be served and all friends of Girl Scouting are invited.

CAMBRIAN ARTISTS

The Cambrian Artists' League will hold their monthly meeting on October 28 at the Cambrian Bowl, 14900 Camden Avenue, at 8:00 p. m. There will be no regular business meeting.
